

HVL List Serve for Emergency Information and More

A list serve is email service that broadcasts emails to people who sign up for a particular area of interest. For example HVL Emergency notifications will notify you via Email of a closed community entrance which can be very helpful on your way to work. Signing up for a specific clubs notifications will keep you updated on the information **you are interested in**.

HVL and Willies Sports Cafe have teamed up to make the HVL List Serve available to all community members. Please register today at www.hiddenvalley-lake.com and click on List Serve. “We hope that this List Serve will continue to make life wonderful where you live,” Bruce Keller, Community Manager.

To register just click on the link “Click her to CREATE A NEW ACCOUNT” and enter your First, Last, Email and Password. After this you will be redirected to the Modify Settings Page. From this page click on Subscriptions for individual Lists. By default you are signed up for Emergencies, HVL General and Willies Sports Café announcements. You might want to check your emails regularly for notifications.

After you select the Lists you’re interested in just click Subscribe. Everything is automatic from here. In the event you forget your password, go to the List Serve page and click the Forgot Password link to send your password to the email address you registered with.

If you want to later modify your Lists selections you can always log back in to the List Serve and click Subscriptions. This will display your current List selections and give you the opportunity to modify them.

We are working on adding the ability to text message your phones. This will give you the ability to choose one or both methods of notifications.

We hope this List Serve will go a long way in making the community more informed about what is going on and make life a little easier. Remember to check your emails regularly for notifications.

The List Serve is strictly for notifications for HVL, Emergencies and Club information. No political, religious or abusive materials are allowed. If this occurs then please notify the POA office immediately.
